FACT: An Ultimate Cloth® is NOT just a cleaning cloth

At first glance, the Ultimate Cloth® seems different from the normal cloth. You will be purchasing something you will enjoy using for years. Buying an Ultimate Cloth® through this fundraiser becomes a double bonus as you will be supporting the City of Flags Chorus in addition to having clean, streak-free surfaces!

The biggest obstacle in your mind might be that it's a 'cleaning cloth' and if you haven't experienced it for yourself, rest assured that there's a reason customers often state, "Thank you for a product that lives up to the hype!" Read through [100s of testimonials/reviews](#) to see **that the An Ultimate Cloth® is not just a cloth!**
